S

Stay Safe. Giving out your personal information to people or places you don't know is very risky. Keep your personal information and passwords secret and safe and remember, think carefully before you share a photo of yourself or your friends.

M

Never Meet Up with an online friend because it can be dangerous. Even if you think you know people well – they might be faking. Always check with an adult you trust.

A

Accepting and Opening emails, links, files and pictures from people you don't know can be dangerous and cause problems. Spam, Junk mail and messages that make you feel uncomfortable should be deleted. Do not reply! Ask an adult you trust to help you.

R

Reliable? The internet has some great information and is full of friendly people. However, sometimes people say or write things which are untrue. Think very carefully before trusting what you see or hear.

T

Tell somebody. The majority of the time on line you will have a lot of fun. However, if something or someone makes you feel worried or uncomfortable, make sure you tell an adult that you trust or report your concerns to <https://www.esafety.gov.au/>
