

Men Choosing Respect

FREE

24 week behavioural change program

An open & safe group where we learn to:

- Understand the impact of violence on others
- Acknowledge the use of violence and take full responsibility for the behaviour
- Make safe choices
- Develop the ability to act in respectful ways
- Look at things from other's perspectives
- Understand how you might have made the family feel unsafe and not respected

Please note: You must reside in the Southwest region and be over 17 years of age. Groups do not run on public holidays.
