when

you want to volunteer for Centrecare

Centrecare is a not-for-profit organisation delivering quality professional counselling, accommodation, support, family dispute resolution and training services.

CENTRECARE

"People Making Time for People"

VOL OCT10 MENCORP 4667D

If you live in the metropolitan area of Perth, have some

spare time and would like to put your

skills, energy and passion to work,

there are many different ways

you can volunteer within the

services of Centrecare.

Do you have:

- spare time;
- enthusiasm for meeting and helping new people;
- energy and passion to provide support to a variety of client groups;
- the ability to work with people from Culturally and Linguistically Diverse backgrounds;
- well developed communication skills, both written and verbal; and
- the ability to work within a team?

If you answer “yes” to any of the above questions, then Centrecare may be the place for you.

when...

...you want to give your time to assist others

Centrecare is a not-for-profit organisation assisting individuals in the community. We are one of Western Australia's most well established, professional and innovative providers of specialist social services. Our purpose is to strengthen people and communities through the provision of professional social services, inspired by compassion and recognition for human dignity.

Volunteers are united in a common goal with a shared desire to change the world they live in, to make it a better place. They can take direct action to address a need or cause they feel strongly about. Centrecare relies on the valuable support of volunteers who help us to change beliefs of people and consequently the social isolation in our community.

Our services are offered to the whole community, without discrimination on the basis of age, gender, race, religion, physical disability, family responsibility, marital or social status.

Ongoing training, Working with Children Check and National Police Clearance will be provided to all volunteers as applicable and travel expenses are reimbursed. Volunteers are excluded from the Workers Compensation Insurance but will be covered by the organisations' Public Liability Insurance.

Volunteers at Centrecare have high job satisfaction by knowing they are making a difference to the lives of people in the community.

Confidentiality

All applications received are treated as strictly confidential. Centrecare will not provide information concerning the affairs of applicants or staff to a third party without their written consent (unless obliged under law to do so). All staff are required to sign and are bound by a Commitment to Confidentiality and an Intellectual Property Agreement once they commence their volunteering with Centrecare.

The photographs used in this brochure are for illustrative purposes only; they do not imply any particular attitudes, behaviours, or actions on the part of any person who appears in the photographs.

Volunteer Programmes

Centrecare Migrant Services (CMS)

CMS acknowledges and welcomes the important contribution made by volunteers to the work of the organisation. Volunteers assisting migrants and humanitarian entrants have played a significant role in the settlement of our clients.

The following opportunities to volunteer with CMS currently exist:

- **Integrated Humanitarian Settlement Strategy** - This program requires volunteers to support newly arrived refugees by providing basic life skills assistance and social support. You must be able to commit to a minimum 6 month period and will be expected to provide 3-4 hours of your time per week.

- **Community Visitor Scheme** - This program is aimed at reducing the sense of isolation and loneliness experienced by elderly migrant residents living in aged care homes. You will be linked with one resident and are asked to visit that resident at least once per fortnight.

- **Migration Advice Service** - This program provides immigration advice and assistance to financially, culturally or linguistically, disadvantaged people in the community.

Centrecare Mirrabooka

Centrecare recognises the support and assistance that volunteers contribute to the organisation in providing families with in-home parenting support in and around the Mirrabooka suburbs.

- **Parent Link Program** - We are always seeking volunteers to join our Parent Link Home Visiting Service. This is a free service that provides in-home support to mothers and fathers in their parenting efforts to raise young children.
